1.Introduction

The MOOC is based on previous reports, taking into account the main aspects to contribute to overcome the barriers related with the topic of this project.

These basic contents was sent to all partners who commented any addition or change to do.

The MOOC content is mainly based on handbooks accompanied by supporting material such as videos, articles, legislation and conferences.

The MOOC is available at:

https://class.winstoneproject.eu/

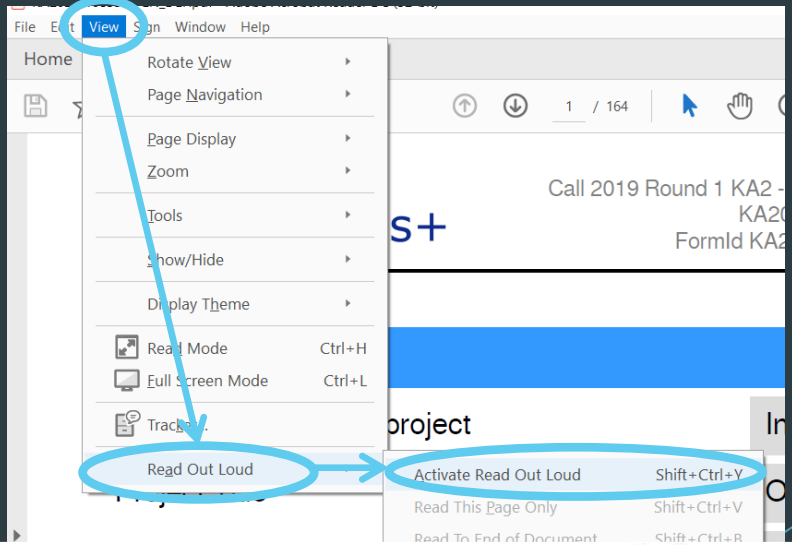
3. Help for the learner. *Adobe Read Out Loud* tool.

How to activate the Adobe Read Out Loud tool?

Step 1.
Download the presentation of the unit in pdf format. Once downloaded, we will open it. The presentations are available at the MOOC and at the OER (https://winstoneproject.eu/oer/technical-documents/)

Step 2.
Once inside, go to View → Read Out Loud → Activate Read Out Loud



How to activate the Adobe Read Out Loud tool?

Step 3.
Once read out loud has been activated, go back to View ⟶ Read Out Loud and check that all the tools are now activated.

Step 4.
We will move slide by slide and we will select the tool from step 3 that we are most interested in to reproduce the text.

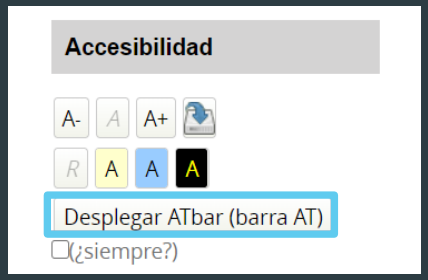
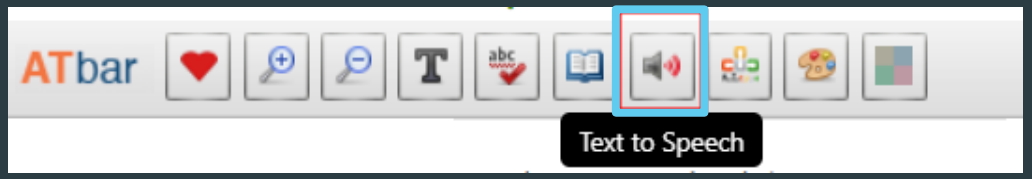
3. Help for the learner. *Moodle Text To Speech tool.*

How to activate the Moodle Text To Speech tool?

Step 1.
When you enter the platform, on the left toolbar → Accessibility → Display ATbar (AT bar)

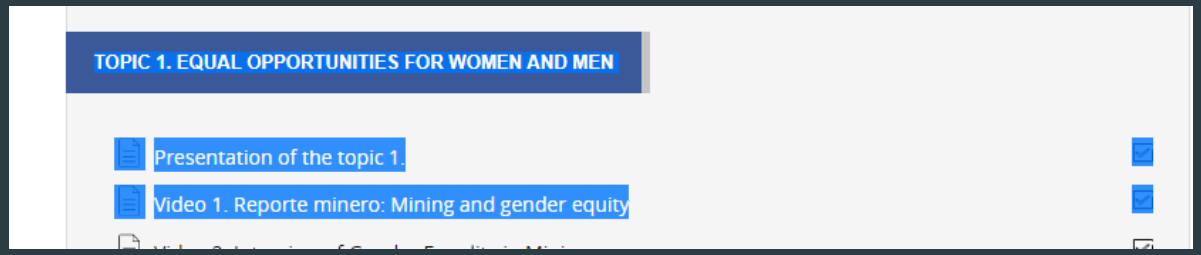


Step 2.
At the top of the screen you will see the **ATbar** with all the available tools. The one we will use is the Text to Speech tool.



How to use the Moodle Text To Speech tool?

Step 1.
First, we must select the text within the platform that we want to listen to.



Step 2.
Once the text has been selected, click on the Text to Speech tool shown in point 2 of the previous section. The following window will appear, where we can play the selected text in audio by selecting any of the options.
