Erasmus+ Programme
of the European Union

GENERAL OVERVIEW

- **The main objectives of the WinSTONE project are:**
- Expand on existing educational offerings.
- Increase peer-networking opportunities by coordinating venues to connect and learn.
- Develop a system of support and mentorship with other women in the industry.
- Create opportunities for women to serve on key industry jobs.
- Recognize emerging & experienced women who excel in the industry.
- Create awareness of opportunities and career paths available to women considering careers in the stone industry.
- Work with the WinSTONE Board of Directors and other committees and associations to achieve these goals.
